

Defoamer YW 803S

Product description

YW803S is Polyether solid defoamer product. It is recommended to be used in dry-mix mortar, powder coating, diatom mud, drilling cementing and other industries.

Characteristics

1. The substance components do not contain the substances mentioned in the SVHC list in the REACH regulation;
2. The dispersion speed is fast, and it has good defoaming performance in the alkaline system with high temperature and pH ; 6.0-9.0.

Raw materials

Composed of hydroxyl compounds and inorganic carriers

Product data

Technical data	Property	Test method
Appearance	White to off-white powder solid, no visible foreign matter and obvious agglomeration	GB/T 26527-2011
pH	6.0-9.0	
Defoaming rate: (%)	>60	
Foam suppression rate: (%)	>70	

Note: The above data is for reference only and is not intended as a technical indicator.

How to use

- (1) YW803S solid defoamer can be added directly after foam generation or directly added to the product as a foam suppression component. The company is not responsible for the consequences of processing or using the product by incorrect method.
- (2) When this product is used on site, it is recommended to choose a place where the defoamer is easy to disperse.

The optimal addition point, dosage, addition method, and dilution ratio need to be determined by the customer according to the actual situation on site.

Packaging & Storage

Packed in 15Kg woven bag. If there are special requirements, it can be customized through negotiation.

YW803S is suitable for storage at 10 °C ~ 30 °C, keep ventilated, away from fire, avoid sun exposure or rain. Do not add acid, alkali, salt and other corrosive substances to this product. Storage according to general chemical methods. Seal after use to avoid deterioration. Under the recommended storage conditions, unopened packaging, from the date of manufacture, the shelf life is 12 months. After the storage period has expired, it should be checked for failure, and if it is not invalid, it can still be used.

Executive standard: ZXBZ-2019
